

General Information

WEEKLY TOURNAMENT INFORMATION:

Signup for Tuesday golf one of two ways:

1. Online at www.scswomensgolf.com – click on Schedule and Signup Tab. Select the date, type your name and email. You will receive a confirmation immediately. (This is the preferred signup.)
2. At Palm Valley Golf Course – signup sheets are in the hallway between the pro shop and the restaurant.

Signup deadline is Saturday at 9:00 p.m. before the Tuesday tournament.

Preliminary alphabetical signup e-mails are usually emailed to members on Saturday. If you meant to sign up and your name is not on that list, call or email the tournament chair immediately to see if you can be added. Final pairings are usually emailed on Sunday.

You must **cancel** by 6 p.m. Monday night before the Tuesday tee time to avoid being charged \$3.00 for the game participation. If something unforeseen happens and you are unable to play on Tuesday morning, call the pro shop to let the ladies know that you will not be playing.

Three dollars is added to everyone's green fee each week. This constitutes the prize money. The results are posted on our website and at Palm Valley.

Check in on Tuesday morning at least **30 minutes before start time** in both the pro shop and at a table with the ladies. Contribute a quarter for chip-ins and pick up score cards at that time. Occasionally we have the option to pay \$1 for a Magic Putt.

Do **not** post your own scores for the Tuesday tournaments. This will be done for you. Other than ladies day, you are responsible to post your own scores each time that you play. You can post online at the website or in the Palm Valley pro shop.

Tournaments are scheduled each month using the following formats: ABCD, Fleur de Lis, Partner's tournament, and individual play. This schedule of play allows interested players to qualify for team play.

FLEUR DE LIS: Played for low gross, low net and low putts. It is paired by handicaps. Each month you could win in Gross, Net or Putts. Winners qualify for the December playoff tournament. If the monthly winner has already qualified for the playoff, the player with the next lowest score will win that qualification. Flights are determined by the Tournament Chairperson to give an equal chance for the playoffs. A list of qualifiers is posted at Palm Valley. The Fleur De Lis Playoff is the only major tournament in which players may win in more than one category (gross, net and putts).

RINGER: An optional eclectic tournament for Palm Valley and Highland Falls held three times per year. The cost is \$5 per course. Weekly tournament scorecards are used to compute the lowest score per hole over a period of four (4) months. You may choose to enter one course or both courses. Gross and net winners are flighted and awarded for each course. (Eclectic means you may improve your score from week to week on each hole for the current tournament time period.)

HOLE-IN-ONE INSURANCE: Participation is optional. The cost per member is \$5.00, which covers 5 (five) hole-in-one winners. After 4 winners have been paid, the fund shall be replenished at \$5.00 per member. When a hole-in-one is made on Ladies Day, the insured member will receive \$100. A new member may enter by contacting the Hole-In-One Chairperson and pay the \$5.00 fee.

TEAM PLAY: The WSNGA (Women's Southern Nevada Golf Assn.) conducts team play at various courses between Las Vegas area ladies golf course teams. The format is Team Match Play. Any member may try out for the team. Qualifying rounds are used to determine the "Team" for each Team Play event. Contact the Team Captain for information.
